How do I register for MARVEL! ?

Accessing within a Library

If you are using MARVEL! at the library or school, you do not need to register or login.

Access MARVEL! as a remote user

If you are not in a library or school, you will need your own username and password to access the MARVEL resources. After you select one of the resources, you will be prompted to login.

You may login in if you are already registered and you will automatically be brought to the selected resource.

New User

As a first time user, you must register. Choose "Register here" and complete the form.

To offer Maine residents home access to MARVEL! resources, vendor licensing agreements require identifying information. This information is **NOT** provided to any third parties. You will be asked for your name, address, city, zip code, email and your type of library affiliation. Company name is optional.

Your username can be your email address for ease of remembering or a username you prefer. Choose a password of 6 characters (either with letters and/or numbers) for your MARVEL! password or use the randomly generated one offered you.

You will receive an automated "thank you" once you submit your information and be able to start using MARVEL! immediately.

You will receive an email message with your username and password. This comes automatically from marvel@polaris.ursus.maine.edu with the subject heading of "MARVEL! New Registration".

Password Retrieval/Edit My Account

If you lose or forget your password, chose "Forgot your password?". You may change your personal information under "Edit My Account" once you are logged in.
